A picture of the graduate may be printed with the announcement. If there are other people in the picture, we will crop them out. We prefer e-mailed pictures in a jpg or tiff format. Photos may also be mailed. Since the staff will copy the picture electronically, it can be either black & white or colored and a different size than will be used in the newspaper. Although the newspaper staff tries to see that all pictures are returned unharmed, they cannot accept responsibility for the loss or accidental damage of a photograph. If the picture is to be returned by mail, a pre-addressed, stamped envelope must accompany the picture.
